* Personal Recommendation by YK.

I moved to Sendai in 2006, and have tested which is the best.
The followings are the order of my personal recommendation.

-
- (1) via Nagoya (especially from European countries)
- | | | | |
|----------|----------------|---|-----------------------------|
| <Flight> | Your country | > | Nagoya airport |
| <Flight> | Nagoya airport | > | Sendai airport (frequently) |
| <Train> | Sendai airport | > | Sendai airport (~0.5h) |
- (2) via Tokyo [by Train]
- | | | | |
|----------|----------------|---|---------------------------|
| <Flight> | Your country | > | Tokyo/Narita airport |
| <Train> | Narita airport | > | Tokyo or Ueno St. (~1.5h) |
| <Train> | Tokyo St. | > | Sendai St. (<2h) |
- (because : Flight from Narita to Sendai is not frequent.)
- (3) via Tokyo [by Flight]
- | | | | |
|----------|----------------|---|--------------------------------|
| <Flight> | Your country | > | Tokyo/Narita |
| <Flight> | Tokyo/Narita | > | Sendai airport (10:30 & 16:55) |
| <Train> | Sendai airport | > | Sendai station (~0.5h) |
-
